

LANO SHOWER SET

COLLECTION LANO

PRODUCT CODE:

S951-022

Product description

The LANO set comprises a multi-function hand shower with water stream power and intensity adjustment (Rain, Massage, Bubble, Rain&Massage, Rain&Bubble modes), spot handle with inclination angle adjustment, 150 cm-long hose with external metal coating and metal ends plus a mounting kit. This set comes with practical solutions, i.e. the Easy Clean system facilitating removal of scaling and deposits from the hand shower surface and Cersanit Turbo Air, simultaneously increasing the water stream volume and reducing water consumption. The set is covered by a 2-year guarantee.
