PLĂCI CERAMICE

Bun venit în lumea fascinantă a plăcilor ceramice, unde eleganța și durabilitatea se întâlnesc într-un dans sublim. Te invităm să răsfoiești catalogul nostru de gresie, o gamă vastă ce îmbină arta și tehnologia pentru a crea suprafețe excepționale.

Cu dimensiuni impresionante de 60x120 cm și 60x60 cm, plăcile ceramice cuceresc prin forme și proporții perfecte. Fabricate din materii prime de calitate superioară, acestea îndeplinesc cele mai importante caracteristici pentru amenajarea unui spațiu. Majoritatea modelelor sunt porțelanate și rectificată, pot fi montate atât pe pardoseală cât și pe suprafețele pereților, în spații interioare, dar și exterioare. Plăcile ceramice sunt rezistente la abraziune, la umiditate, la fluctuații de temperatură, sunt ușor de întreținut și au proprietăți ignifuge, antibacteriene și antialergice.

Gama noastră generoasă de gresie cuprinde o diversitate fascinantă de stiluri, disponibile cu finisaj lucios, mat, semilucios sau superlucios, cu suprafață netedă sau finisaj sugar. Fie că preferi minimalismul sofisticat, modernitatea vibrantă, tradiționalul cu farmecul său, nostalgiile vintage sau rusticul cald și autentic, în catalogul nostru vei descoperi un univers complet de posibilități. Aspectul de marmură, textura de parchet, naturalețea pietrei, rusticul lemnului, designul îndrăzneț de tip patchwork, farmecul tradițional al travertinului, efectul vintage sau modelele decorative cu unicitatea lor, fiecare opțiune spune o poveste distinctă ce oferă personalitate spațiului tău.

Explorează gama completă de plăci ceramice și găsește soluția potrivită pentru tine. Echipa noastră este gata să îți ofere toate detaliile de care ai nevoie pentru a materializa viziunea proiectului tău de amenajare.
